BANDILA SUJITH is studying fourth year CSE and obtained a CGPA of 7.8

Class Activity:

He is regular to mentor mentee meeting . He has got very poor marks and was absent in class test . He must start attending seminars and webinars to improve his communication and technical skills. He must be regular to all slots lab sessions. Good that he has registered for NPTEL courses. Attendance is compulsory for mini project (Product design and development). Attendance is very poor in Slot D 77% ask your ward to be regular for class.

.

Online Course:

In addition to the regular class, she is also studying NPTEL course which will be useful for her studies
